FABRICATION & SUPPLY

CAPABILITY STATEMENT

SDVOSB · VOSB

SBA VetCert · 09/11/2026 – 09/10/2029

UEI **ZJCXS9JE4MQ7** | CAGE **9YPN1** | SAM.gov **Active — all awards** | Primary NAICS **339950** | **GPC accepted**

Laser-marked identification, signage and recognition — and the technology and facilities supplies to go with them. In-house CO_2 + fiber fabrication in Peoria, Arizona, plus authorized-distribution sourcing. Veteran-owned. Purchase-card ready. Quotes within one business day.

CORE COMPETENCIES

1 · Precision laser fabrication & marking

- Nameplates, desk and door signs, room ID, interior wayfinding and directories
- Asset & property tags: serialized ID plates with Data Matrix, QR and Code 128; anodized aluminum and stainless
- Tool-control / CTK etching, FOD identification, calibration tags; laser-cut shadow foam inserts
- Safety & electrical: arc-flash, valve tags, lockout/tagout, pipe markers, panel legends, switch plates
- Awards, plaques, retirement, milestone, memorial and dedication pieces
- Trotec Speedy 400 flexx (CO_2 + fiber), 39 × 24 in bed · one piece to 500+ · 3–7 business days typical

2 · Technology hardware & peripherals

- Chromebooks, laptops, desktops, monitors, docks, charging carts, printers, label printers, scanners
- Switches, access points, cabling, UPS; classroom and conference AV
- **Tag-and-deploy:** devices arrive asset-tagged, serial and MAC captured, import file included

3 · Facilities, safety & MRO supply

- Signage systems, floor marking, lockout/tagout kits, first aid, PPE, ID/badging supplies

4 · Asset management — tag + track

- Durable tags plus the printers, scanners and setup guidance to start or refresh an inventory program

5 · Public-sector technology planning support

- Procurement-ready specifications, device-refresh planning, network and phone-system migrations

DIFFERENTIATORS

We know procurement from the buyer's side. The owner has 20+ years in public-sector technology and education leadership and currently leads technology for an Arizona public school district.

Veteran-owned and operated. U.S. Navy, 1996–2000. SBA-certified SDVOSB and VOSB.

One vendor for the tag, the label and the device it goes on. In-house fabrication plus authorized-distribution sourcing.

Local and responsive. Minutes from Luke AFB, the Phoenix VA and West Valley cities and districts; nationwide shipping on supply orders.
